## **THE LATEST NANOSOLUTIONS NEWSLETTER IS NOW AVAILABLE**

In this newsletter we look back at the Systems Biology in Nanosafety Research conference that took place in November and at the newly released film 'Safer by Design'

We have an update from WP3 on Criteria for Selection of ENM, and WP6 on the Collection of in vitro samples.

Finally, we will be taking a look at some of the nanotechnology and nanosafety events that are on the Horizon, including a piece on ESOF2016.
